

Dear Franklin Township Soccer Club:

It is with great pleasure we present you with this gift in loving memory of Mary and Betty Hart.

I would like to tell you a little bit about them.

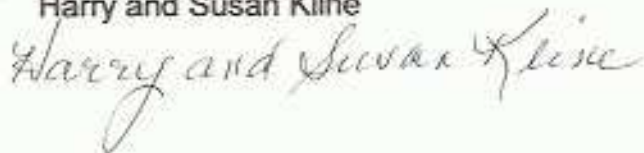

Mary loved kids she at an early age established a sweet shop called Hart's Bide A Wee. It was one of those olde time ice cream, penny candy shops where kids of all ages could hang out. When Pop Hart needed something to do he ran the store and Mary went back to school. Mary received her Practical Nursing degree and started another business, helping new mothers with infants and everyday care of other siblings. When she retired from that she moved to a retirement village and saw a need for Helping Hands and chartered a volunteer organization by that name to help residents in whatever way needed. Mary loved kids and helping out just as you all do for the kids.

Now Betty was a born volunteer at an early age. Betty became a charter member and organizer of the East Millstone First Aid Squad. Betty served up until she became ill at the age of 85. Betty volunteered in many organizations such as Franklin Women's Club, Meadows Foundation and The Agricultural Museum. Betty received many awards for her volunteerism, but her first love was the rescue squad.

This gift is given in loving memory of two special people, one who loved children and one who helped people through difficult times.

Thank you for allowing us to give this gift.
